What's the difference between vitamins and minerals? [2]

Dear Alice,

What is the difference between vitamins and minerals? It seems like most Americans are taking a lot of vitamins more than they need to. Is it good to take a lot of vitamins?

**Recommended dietary allowances (RDAs) of nutrients?** [6]

Dear Alice,

I’ve searched your site (and others as well) — I am looking for a listing of the US RDA for all vitamins and minerals in one place all together. I am looking for a vitamin supplement and want to get one that is as complete as possible and want to be able to make comparisons of products available. Thank you so much for your help.
