Counseling and Psychological Services (CPS) (Morningside) [4]

CPS supports the psychological and emotional well-being of the Morningside campus community by providing counseling, consultations, and crisis interventions — all of which adhere to strict standards of confidentiality. Drop-In Counseling Offices offer the opportunity for students to meet with CPS counselors, without an appointment, when immediate support, resources or referrals are needed.

**Columbia University Medical Center (CUMC)**

**Medical Services (CUIMC)**

Medical Services within Student Health on Haven provides a full range of primary care services and any needed referrals to specialty services as needed for students at the CUIMC campus.

**Phone**
Counseling Services (CUIMC)

The Counseling Services of Student Health on Haven offers services from social workers, psychologists, and psychiatrists to provide short-term individual and group psychotherapy, psychiatric evaluations, and referrals for ongoing treatment with community-based providers as needed.

Well-Being and Health Promotion (CUIMC)

The Well-Being and Health Promotion team leads, facilitates, promotes, and participates in collective, systemic and innovative action for student health and well-being at CUIMC. In partnership with students, staff, and faculty, they work to co-create an equitable and just campus community in which the people, programs, practices, policies, and spaces foster student health and well-being.

Addiction Information & Management Strategies (AIMS) (CUIMC)
AIMS has professional staff and peers available to help students who have questions about substance use, abuse, dependence, and other related issues.
