All About Alice! [1]

Who is Alice!?

Alice! is not one person, but a team. The Go Ask Alice! site is supported by a team of Columbia University health promotion specialists, health care providers, and other health professionals, along with a staff of information and research specialists and writers. Our team members have advanced degrees in public health, health education, medicine, counseling, and a number of other relevant fields.

I have been receiving your update emails for a little while, and have always found them a source of good honest plain information on all manner of things. Thank you for providing a great service and I hope that more people over the world find you and appreciate the service that you provide.

—Go Ask Alice! Reader

Go Ask Alice!, According to the Research

A number of independent studies have been conducted over the years that included Go Ask Alice! Here are few examples of what researchers had to say about our work:

- A study from the University of Pittsburgh presented at the 2011 iConference and published in *Online Information Review* noted that **59% of the hyperlinks to health information**
from blogs and other sites reviewed were linked to *Go Ask Alice!*
- In a 2009 chapter published in *Pediatric Informatics*, *Go Ask Alice! is listed as a recommended website for adolescent health*.
- Information from *Go Ask Alice! is cited in a 2007 article in the British Medical Journal* discussing hookah use.
- *Go Ask Alice! is described as "one of the most useful sites in a health educator's book of tricks," in a 2007 article published in the journal Health Promotion Practice.*
- A University of Michigan study published in the December 2000 *Health Education & Behavior* journal names *Go Ask Alice! number one for access to specific sexual health information on the Internet.*

Additionally, *Go Ask Alice! has been included in academic research including doctoral dissertations and many other student research projects.*

**Awards**

*Go Ask Alice! accepts these awards with great pride and appreciation. We thank our colleagues for the recognition and look forward to continuing to provide excellent health information and education online.*

- Web Health Award, Bronze Level, 2009

- College Health Award, American College Health Association, 2007

- Gold Excellence Award for Health, Wellness, & Counseling, NASPA, 2007

- Grand Gold Award, NASPA, 2007
HEDIR Technology Award, 1998
